

**13th Annual Rich England Memorial
Scholarship Golf Classic**

My brother Rich was killed in an industrial accident at AK Steel in 1995. At that time we started the Rich England Scholarship Fund Golf Scramble, all monies we receive from the scramble goes into the scholarship fund. We present a \$2000.00 scholarship each May to a Carlisle Senior boy that plans on attending college. So far we have given over \$26,000 in scholarships. We are asking that your business be a part by taking out a sponsorship at this year's golf outing. The England Family wants to thank you for helping us make this scholarship possible. This years Golf Classic is August 11, 2007 at Weatherwax Golf Course in Middletown.

Sincerely,

Margie England Winkler
